

Sabrina Soto Bedding & Bath: Mix and Match

(Intro Music)

Sabrina: Hi, I'm HGTV designer Sabrina Soto and I'm thrilled to announce my new collaboration with Target on my own bedding and bath line. I have three different styles: Calypso, Havana and Ele and although they each have their own bold pattern, you'd be surprised how well they play with each other. I'm going to give you a few examples.

Here I have paired the Ele duvet with the Calypso sheets set and the Calypso window treatment. Within these two styles, it's really easy to mix and match. Next up is Havana.

Here I've paired the Havana window panels with the Calypso duvet cover, coverlet and sheet set. Calypso has such clean lines that it's easily paired with the bold design of both Ele and Havana. The beauty of my collection available at [Target.com](https://www.target.com) is that you can mix and match all the different styles so you let your personality shine through in your space.
