

# The **MORE** Everything Plan

The MORE Everything Plan, powered by Verizon, offers Unlimited Talk & Text, Personal Wi-Fi Hotspot and Shared Data for up to 10 devices for both families and individuals.

## How It Works

### **1** *Decide how you* **BUY EACH DEVICE**

#### **2-Year Agreement**

Pay a reduced, one-time cost for your phone. Upgrade after two years.

#### **Verizon EDGE**

Use this device installment program to break down the price of your phone into 20 monthly payments and added to your bill. No device payment is due at checkout. You also get a monthly line access discount on your bill. After 30 days and 60% of the device is paid off, you can upgrade.

#### **Full Price**

Pay for your device at full retail. Upgrade to a new device anytime.

#### **Bring Your Own**

Connect your own compatible device.

\*Verizon EDGE is available on basic and smartphones.

### **2** *Add* **PHONES & DEVICES** Device Details & Pricing

#### **Add Phones, Tablets & Other Devices**

Add up to 10 devices to your account and pay a Monthly Line Access per device. Monthly Line Access is the cost of connecting each of your devices to your plan.

**Smartphones**  
+\$40/mo

**Tablets**  
+\$10/mo

**Basic Phones**  
+\$30/mo

**Connected Devices**  
+\$5/mo

**Internet Devices**  
+\$20/mo

### **3** *Select Your* **SHAREABLE DATA** Data Details

#### **What Is Data?**

Data lets you browse the internet, stream and download music, watch videos and more. You can choose one adjustable data allowance that is shared across all your devices. Visit your nearest Target Mobile Store to find the best data plan for you.
