ON SCREEN TEXT: Mobile GiftCards

Two hands hold a Target GiftCard with a bull terrier on it. The hands wiggle the card back and forth.

ON SCREEN TEXT: One GiftCard. Two people.
Problem?

ON SCREEN TEXT: Not any more.

ON SCREEN TEXT: Save your GiftCard,
then share it.

A hand holds a smartphone with the Target GiftCard app displaying the "GiftCard Details." A finger swipes over the bar code and balance information. Then it selects the "Share" button. The words "For Target runs!" appears in the "Message" box. "Share" is selected again.

A new hand holding a different smartphone appears alongside the first hand. The same bar codes and gift card information appear on the screens of both phones.

ON SCREEN TEXT: Shop happily ever after.

Two hands fist-bump.

The Target Bullseye appears.
