 headphones

A man sits on a plane with Bose QC25 headphones around his neck. He places them over his ears.

The Bose QC25 headphones rotate slowly on a black background.

ON SCREEN TEXT: Our industry-leading headphones.

Parts of the Bose QC25 headphones sit in metal machinery. Quick shots reveal various machinery stamping and creating the headphones.

ON SCREEN TEXT: Now made better than ever.

A computer-generated blueprint of the QC25 headphones spins on a white background.

The man sits in a vehicle wearing Bose QC25 headphones. He looks at a handheld device and smiles.

ON SCREEN TEXT: With better noise canceling.

ON SCREEN TEXT: So you can focus on what matters.

Bose QC25 headphones rotate slowly on a black background.

ON SCREEN TEXT: And better audio.

A close-up shows the headphones as they continue to rotate, revealing the Bose logo on one of the earpieces.

ON SCREEN TEXT: So you can love your music.
 Even more.

A blurred close-up shows the headphones as they slowly rotate. They come into focus to reveal the Bose logo on one of the earpieces.

ON SCREEN TEXT: We enhanced the design.
 With higher-quality materials.

Two sets of headphones sit side by side and slowly rotate upwards to reveal Bose logos on the earpieces in black and white.

ON SCREEN TEXT: With new colors
and finishes.

A close-up of the earpieces of the headphones captures the cushioning.

ON SCREEN TEXT: With a sleeker look
and a more comfortable fit.

Two sets of headphones sit side by side. One set folds up into a compact shape. The other set sits compactly in a black case.

ON SCREEN TEXT: We made them even more portable.
With up to 35 hours of battery life.

The man walks down a street wearing the headphones. He presses a button on the cable's remote as he walks.
