Colorful Pom Pom Trees

INSTRUCTIONS

A little glue and a bunch of pom poms makes a whole lot of magic and a great project for the kiddies. You'll have fun too!

1. Use glue to attached a colorful mix of small pom poms to the surface of Styrofoam cones.
2. Stack several bright colored tape rolls under the pom pom tree to act as the "trunk".
3. Attached your favorite star shaped ornaments to the top of the trees with a bit of wire.
4. Place on your table as a fun centerpiece, or on your mantel to bring color and pop to your living room.
