Ornament Christmas Tree

INSTRUCTIONS

Create this chic and modern Christmas Tree with just a few items found at Target.

1. Start by ironing your fabric. (Note: we used a table cloth.)
2. Cover a piece of foam board with fabric, secure the fabric with t-pins on the back of the board.
3. Use t-pins to secure beaded garland in the outline of a tree.
4. Use t-pins to hang a selection of your favorite ornaments within the interior of the tree outline.
5. Cover the sides of the board with gold ribbon, securing with pins.
6. Place in your entry way for a touch of modern elegance.
